Most recently, Covenant partnered with the American Baptist Women's Ministries and the Center for Arts Inspired Learning to hold a five-day STEAM summer camp, "**Building Bridges and Gateways to Girl's Future.**" Designed for girls in grades 6-9, the camp engaged girls in a variety of STEAM activities connecting Science, Technology, Engineering, and Math through the Arts. They worked both individually and in small groups to create interactive portraits, digital comic books, and a variety of digital video media. They also experienced daily devotional, interactive lessons and bible studies

focused upon their identities in Christ and exploring who God is calling them to become.

On September 6th, 2019, Covenant Baptist Church officially changed its name to "**Restoration Ministries of Greater Cleveland, Inc.**" Our new theme is "Revived, Renewed, Restored Through Christ!" We look forward with

GREAT anticipation to all of the new ministry endeavors, collaborations and partnerships we shall experience in this new season in the life of our ministry!
